## MATCH REPORTS

### U/6

#### 19/8/95 - Drew 1-1 with OLOR

What an exciting game to finish the season!! David (1st half) and Daniel (2nd half) did an excellent job in goal being well supported by Robert who picked up a weekly award for his magnificent performance. Duncan had a great attacking game and displayed some excellent team play by passing the ball across to David who went on to score the goal. Also on the attack this week was Thomas who had a few attempts at goal and kept the pressure on the opposition all match. Some excellent tackling by Joshua combined with some great kicks by Darcy and constant chasing by Stuart kept the opposition away from the ball. Good work boys! Another award winner this week was Chris who did some great big kicks and ran hard all match.

### U/8 - Black

#### 19/8/95 - Won 7-0 against St Matthews

This was a fantastic win, teamwork along with speed to burn up front and rock solid defence left St Matthew's with no chance in this match. Chris Barrett and Chris Garratt were brilliant in defence feeding plenty of good balls forward to put us on the attack once more. Justin and David whether in goals or out both played extremely well all game, Kyle tried his hardest all game while Keiran, James, Ronald and Andrew completely dominated the St Matthew's defenders when in attack. Goal scorers were Keiran 2, Ronald 2, and Andrew 3.

#### **Champion of Champions - Lost 2-3 to Wentworthville**

With only 9 players we knew this was always going to be a tough match, but when Chris Barrett one of our star backs turned up limping due to an extremely swollen knee and with the thermometer hovering around 28 degrees the odds against us seemed even worse. Our boys truly played like champions, Justin did a fantastic job in goals keeping us in the match with some great saves. As always all the boys gave their all but with Chris Bs crook knee and Wenty having two extra players as well as fresh reserves when required it was extremely difficult to get into attacking positions. Our first goal came when Andrew kicked a long ball through for Ronald and with only five players to beat a goal was always on, Andrew scored our second goal from a penalty giving the substitute goalkeeper (for the penalty only) no chance at all. James and Keiran played with great determination while Chris Garratt amazed everyone never stopping for a second all game. Kyle tried very hard and David just keeps improving every week and halted many Wenty attacks. Now to Chris B, by the second half he could hardly run, but this didn't stop him from giving his all to the very end. Congratulation boys on a great effort.

## **U/10 - Black**

### **19/8/95 - Won 3-0 against OLOR**

Only the parents knew that win or loose today the boys would still be champions. So the boys came out with the bit between their teeth not only to win today but to show that the loss against OLOR last time was just a fluke. Playing against a ten boy defence, as in the last game, the boys bombarded OLOR's goal with a barrage of shots hitting every piece of wood and just about everything else that was anywhere near the goal. This time there was no stopping our boys and three goals put paid to the opposing team's negative defensive play. Michael got two excellent goals and Thomas got a beauty of a third but the whole team played so well that the large audience applauded well after the game was finished. This week's Man of the Match Award went to Ben Flanagan in the green shirt who was unchallenged for most of the game but responded well when required and kept the score sheet clean yet again. A final note of thanks to peter Hatfield for attending the match and making a formal apology to the boys and parents over the unfortunate sage of the Knock Out competition.

### **PRESIDENT'S CUP**

#### **26/8/95 - First Round - Won 1-0 against St Michaels (after extra time)**

What a match!! It was level pegging all the way, even down to the corners and goal kicks (I was keeping a close count of them all!), although we did have one goal disallowed. In extra time Calvin scored the all important goal and every parent jumped into the air as one. We had made it to the final!

#### **Final Round - Won 3-0 against Yaralla**

After what seemed a very long, long day the boys gave everything they had. It was a very hot day both on and off the pitch but they kept on going and going. Three goals, two from Jonathan and one from Calvin, make it a decisive win but what broke the other team's spirit was a superb save from Joshua just at a crucial moment. Sorry for the abbreviated reports but I found it hard to take notes due to my shouting and cheering on the side line. Also my apologies to everyone's ears!! Just suffice to say as far as I am concerned that today all the boys proved themselves to really be:

**"CHAMPION OF CHAMPIONS"**

# END OF SEASON REPORTS

## Under 6

What an absolutely great season for a great bunch of boys who have had a lot of fun and really developed their skills in the process.

We started the season with 9 boys, 8 of whom had never played before.

Our numbers grew to 10 when we were fortunate to have **Robert Retalic** join us a few weeks into the season. This was Robert's second year and it really showed. He settled into the team immediately & very quickly found his niche as full back. Robert always holds his position, has a huge kick that clears the ball over the heads of the opposition (once actually scoring from the centre line!) and has always put all his effort into the game. Robert has been presented today with a special certificate for his consistently excellent performance as a full back.

One of our youngest players, **Chris Milojevic** (just 4 years old), has had a great season. Chris just loves to kick the ball and as the season progressed so did Chris' skills. His kick became more powerful & gained direction. He learnt to do throw ins properly and has always run his heart out every match. Chris' great enthusiasm and the skills he has mastered this year will ensure another great season for him next year.

Playing in midfield and defence **Darcy Shaw** has continued to gain confidence and improve his skills. He has been eager to put into practice the lessons learnt at training, in particular trapping & controlling the ball. He has provided great support to his team in tackling and passing & will no doubt continue to be a valuable team member next year.

Another player who has greatly developed in skills & confidence is **Joshua Walker**. Joshua has a good **strong kick**, runs hard and always keeps up with the ball. He has added strength to the **midfield**, holds position well and knows how to mark the other player. Josh has had a very good year and shows great promise for future seasons.

A good strong midfielder, **James Milojevic** has also played in the forward position. His strengths lie in tackling and turning the ball around, he is a good runner and makes things difficult for the opposition. James has developed well this season & will no doubt continue to be an asset to the team next year.

Our other young player, also just 4 years old is **Stuart Raines**. Stuart has enjoyed himself immensely and learnt many skills. Eager to tackle the opposition, he is always looking for the gaps to get the ball through to the forwards which he successfully achieved on many occasions.

A very diversified player, **Daniel Cork** has proved his skills in goal and on the field. In goal he is not afraid to dive on the ball when necessary and made many great saves during the season. On the field Daniel prefers the wing position, providing great support in the forwards and managing a few attempts at goal during the year.

## U6 REPORT (cont)

Charging forward right from our 1st training session **Thomas Tan** has been a formidable force for the opposition to content with. Thomas slotted into a forward position from the 1st match and scored his first goal early in the season. A strong player from the start, Thomas' skills have developed further during the year ensuring him of a very successful season.

It was obvious from the beginning that **Duncan Raines** was in his 2nd season as an U6. A very strong player with fantastic ball skills Duncan made an excellent forward, constantly on the attack, scoring many of our goals. His speed gave him the advantage allowing him to cover much of the field if the need arose. Duncan's team skills greatly developed this season & he learnt to create opportunities with the ball causing others to score goals. Duncan is the recipient of a "TEAM AWARD" for the excellent overall contribution he has made this season.

Proving to be a good all rounder **David Rogers** has had a magnificent season. David understood the concept of team play quite early, really paid attention at training and went out into the field and put all of it into practice. His ball skills improved immensely over the year. On the field he was constantly on the attack & took the hat trick scoring a goal in each of the last 3 matches. His talents really showed in goal with some amazing saves. He never let the opposition intimidate him! David takes the award for "BEST FIRST SEASON" for his consistent application and improvement during the season.

In conclusion, all the boys tried very hard and always gave their best. We won or drew 12 of the 17 games we played and scored a total of 26 goals over the season as well as taking out the 6 a side competition.

Thanks to the parents for all their support & a special thank you to Geoff Walker for refereeing most of our home games.

This report would not be complete without making special mention of the assistance given by Alan Wheatley each week at training. We couldn't have done it without him!

Finally, congratulations to all the boys in the team - you are all great sports and have done a magnificent job. Have a great summer and we'll see you next season ready to do it all again!!!

## **Under 10 - Black**

A tremendous season for all the boys ending on a really high note with not only the boys winning the President's Cup but also for Martin's own team win.

I would just like to extend my thanks to all the parents for supporting the team so well, throughout the season, in particular to Chris Whybrow and Neil Barrett for stepping in at all the appropriate moments.

I would also like to thank Martin for turning the boys into a team and giving so much of his time and support throughout the season.

To

**Jonathan Barrett** a clear winner in any body's team with a mature head on young shoulders.

**Ben Flanagan** a cool headed goalie with safe hands, my own favourite position.

**Michael Howell** a very good all rounder with incredible throw-in skills.

**Nathan Laing** who proved himself invaluable on so many occasions in defence.

**Ben O'Sullivan** another very good all rounder and our corner kicking expert.

**Matthew O'Sullivan** a tremendous tackler who covers the whole field.

**Tim O'Sullivan** a traditional winger with skills allowing him time to search for other players.

**Tristan Rogers** with such a big heart this boy has to win.

**Mathew Sansom** improving with every game trying hard for his team mates.

**Craig Thompson** maybe the smallest on the pitch but gives everything he's got.

**David Twist** another big heart with skills and boot to match.

**Joshua Weathersbee** another good all rounder equally at home in goal or on the pitch.

**Thomas Whybrow** maybe our youngest player but with his determination you wouldn't know it.

**Calvin Young** who covers the whole pitch and runs till he drops.

Finally I would like to thank the boys for allowing me the pleasure of being involved with a great team both on and off the pitch, in particular to Mathew, my son, for probably putting up with my ranting and ravings the most !

**So until next season boys keep your heads up and face the ball !!!**

## Under 11's

This was always going to be a tough season. We knew the stronger teams would be hard to toss. We also knew that the changed eligibility rules meant we had 17 players to play throughout the year. Coach Alan Wheatley and I agreed from the outset that everyone would be given an equal chance. This meant players were rostered to miss games and a lot of half games. Obviously, that has an impact on the team's continuity. It was a situation that wasn't ideal for anyone but both the boys and the parents readily accepted the reality. Our thanks to all for your co-operation. The thing I admire about St Columbas is the way they teach the boys to play and the encouragement that is given to parents to be involved. This year, as in previous years, the boys played hard and fair. Their conduct on the field was a credit to them and the Club. It was also great to see so many parents able to come along each week and watch the boys go round.

Special thanks to all those who helped with regular duties such as Canteen, putting up nets and the rest of it. Particularly Don Colgan for collecting the news letters and Phil Nesbitt, our official linesman.

Alan has done a great job with the boys. A Rugby League man from way back, he has become something of a student of the game. He has given considerable time to coach not only this team but also the Under 6 team. I know I speak for everyone in saying how much his efforts are appreciated. "Well done, good and faithful servant!"

The season had its usual highs and lows. A creditable 3rd in the competition, runners up in the Knock out and semi-finalists in the six-s-side. As they get older and the skills and co-ordination improve, it's good to see the improving mastery of the game. A few comments on each player:

"Magic" Mitchell Caddy - a natural left footer, he has slotted beautifully into the forward line. Nimble and quick off the mark, he scored some great goals at crucial times.

"Slammer" Scottie Chapman - intense, determined and highly competitive on the field, he is equally at home in the forwards or in goal. A real asset.

"Axe" Andrew Colgan - Mr Reliable. A great defender and no-nonsense midfielder. He has been the pivot around which our defence revolves for several years now.

"Hammer" Matt Dawson - A laid-back character with great natural talent, he has a casual approach to most things. Beware that thunderous shot!

"Killer" Karl Goodsell - Now our regular goalkeeper, Karl has really come along well this year. Super-keen, always wanting to get into the action. Looking forward to even better things from him next year.

"The Boot" David Lock - Tall and rangy, another strong player equally at home anywhere on the field. A couple of his clearances left people open-mouthed, Get out of the way!

"The Tank" Chris Miles - A real character this bloke. Thoroughly enjoys his football and good fun to have around. His play has steadily improved this year and his positional play is becoming a feature.

"Twinkletoes" Alex Nesbitt - Another of the nimble men. Alex played well both up front and in midfield. His real strengths are his ball skills and ability to score from the opposition's mistakes.

"Terminator" Pradeep Rajendran - Extremely quick, Pradeep excelled at the back. How many times did he bob up as a last line of defence? Improved out of sight this year.

"The Rash" Nick Retalic - Happy to play anywhere but his forte is in the backline. Formed a strong rapport with the midfield and stifled many attacks. Always smiling unless I yell at him.

"The Enforcer" Chris Skelton - A whimsical character who can see the funny side of most situations. Chris played mostly in the backs and proved very effective there. Another bloke who showed strong improvement this year.

"Human Dynamo" Ryan Smith - As the nickname implies, this bloke just never stops. One of the smallest but probably the most aggressive player in the team, he gives 110% every time he plays.

"Turbocharger" Jeff Thompson - Jeff loves his soccer. Even though his positional play was a bit scratchy at times, he was always in the thick of it. We're expecting even better things from him next year.

"Wild Man" Ryan Wheatley - Ryan is a skilful, intelligent player who simply lacks a bit of confidence at times. He played really well in midfield and kept the ball up to the forwards.

"Crusher" Chris White - Chris missed a bit of the season for various reasons but his no-nonsense style of play was invaluable. Hope to see much more of him next year.

"Megastar" Matt Whybrow - Generally played in the forwards or midfield, Matt's game improved considerably as he increasingly improved his positional play. Scored a few strong goals towards the end of the season.

"Legend" Leonard Wong - A fearless player who loves to be involved. Leonard played most of the season in midfield. His skills also improved strongly this year and we are expecting big things from him in 1996.

Thanks again to everyone for their attitude and support. We look forward to seeing you all next season.

## Under 14

A big welcome back to Rowan Paterson who returned to us after a year off. The rest seems to have done him a world of good as he has come back with a lot of newfound zest and confidence in his ability on the field.

Welcome back to those team members who have now been with us many years. Without these loyal stalwarts the team would have trouble surviving let alone thriving as we have done this year. These boys have been and will continue to be good role models for the newer members of the team.

Thanks to the following new players on the team this year :

Tim Bannerman  
Brady McDonald  
Michael Laing  
Trent Lawler

Without them we wouldn't have enjoyed the success we achieved during the year.

The year got off to a good start with some easy wins in the matches we were "supposed to win".

With four new players, it has taken us most of the season to work out our best positions and to find our best form. Accordingly we struggled against the top teams in the competition but never went down without putting up a good fight.

We left our best for the last match of the season when we beat our arch rivals St Matthews in a thrilling finale to the season. If we can carry on this form into next year we should be a true threat to this year's competition winners. Thanks boys for the entertainment you provided with your spirited play and sportsmanlike conduct over the season.

Thanks also to the parents who managed to get the players to the various venues on time and most importantly I would like to thank our coach and club president, Peter Hatfield for the dedication and commitment he has shown in teaching the boys their soccer skills on training night and being there every Saturday to guide them through their matches.

H Stawski  
Manager

## **Under 15**

To say the least, this year has been one that many of the boys probably would want to forget. With the start of the season came a lot of turmoil, not unlike a lot of other teams but for us it left us with 9 players for most the season. Out of all of our games I think we fielded 11 players only twice and that was only due to players from the U/14's. Anyway the boys showed not only me, but their parents as well a spirit that they can be proud of. Coming into our last game and not yet having won the boys were determined to win and that they did. A great effort really. In all a disappointing season but a great spirit was shown. Thank you to all the parents and the boys and also to Grahame Hill who had a tough job managing two teams. Hope to see you all back next year.

## **Under 16**

This season at its start promised to be an excellent one but that was soon changed with the teams being shuffled around. For myself and Grahame it was going to be a challenge to look after two teams and this proved to be true and from my point of view these guys didn't really get as much of my time as I would have liked to give them (sorry guys). Anyway as like the U/15's we rarely fielded 11 players and in this competition we were always going to do it tough, but despite those little set backs we ended up in a respectable equal 4th spot. With a few big losses and also some excellent wins, it was a fairly good season regardless. These guys also showed a real fighting spirit and to stick with it showed some great determination. Thanks again to all the parents for putting up with what was undoubtedly a difficult season and also thanks to Grahame and his wife Lyn for all their support and work behind the scenes. Hope to see everyone again next year.

## **R/Cup**

So at the end of eighteen weeks, the Firsts and Reserves had found themselves in an unfamiliar position - the finals. The Firsts had been in line for the minor premiership since week two (but were helped by Telopea CM being beaten by Penrith) and got there by one point. The Reserves needed to win three of their last five games to get to the finals. They won four of those, the victory against St Matthew's elevating them to equal first on points but third on the lease favourable for and against. In finals football the slate is wiped clean, minor premierships or not become history - this is a lesson the Firsts will carry into the next season.

## R/Cup - Firsts

For the Firsts, it came down to two games. The first, the major semi final, against the previously unmet (at full strength) Telopea CM outfit. Our team played in slow motion, rarely linking passes, in a display of poor football. Unfortunately, the team lost Gerry early in the game (and for the following game) due to a carbon copy of Chris Wallace's injury just weeks before - a bung knee. It was a deserved 0-3 drumming.

And so to the final, the game in which "sudden death" should have been foremost in the team's minds. Again, we played like the less determined outfit against a team who were backing up for their third game in eight days. In the game which would be decided on penalties, Blacktown were the better finishers. Maybe it wasn't a legitimate backpass that gave them their first goal? Maybe the wall shouldn't have moved? Maybe Greg Kinch didn't obstruct their player in the first place?... but we had our chances and penalties also but just didn't capitalise. Our team looked the most determined in the last five minutes of extra time but we had to play like that for the other 115 minutes. There were valiant efforts in the field from: Nick (with two unbelievable saves); the brothers Moss (who backed up for another full game). Harry (who almost died but played on); and Greg (who defied medical advice to play).

Despite the disappointing ending, it was a great season, our best since the glory days of 1990/91 and it is something the team can build on next year.

## R/Cup - Reserves

The Reserves never looked like the losing side in the finals. The team swept aside St Marys and Telopea CM with ease in two sudden death matches against sides they had not previously beaten. The best in those two games were the Moss brothers, Nigel Artz, Mark Cranfield, Greg Soames and Dave Cahill.

And so to GRAND FINAL DAY 1995 - While the Firsts positioned themselves in the cheap seats, enveloped by a record crowd on the sidelines, on the hottest August day ever, the Reserves took the field. St Columba's began playing the better soccer but had problems breaking the St Matthew's defence in the first half and towards half time the grand final was scoreless. There was only one decent attempt at goal in that time, at which everyone's favourite sideline commentator, Allan Ireland, said of his son, "If only he had the skills of his father". A penalty gave Shane the opportunity of putting us ahead soon after - he nailed it and the crowd went berserk. However, St Matt's equalised just before the break. Minutes after his own stirring pep talk, Andy "supersub" Collins replaced "Pele" on the field. He lived up to his self-appointed tag by making a break through the backline and scored from a tight angle hitting the inside of the net! This sent Greg Kinch and Chris Champion for a lap around the ground with streamers in tow. Andy's following toe-in from Steve Ireland's good cross and Shane's superb solo effort to score were the nails in St Matt's coffin. The constant improvement and cohesion was rewarded with the final whistle and the deserved accolade of 'PREMIERS'.

## PRESIDENT'S REPORT

The 1995 soccer season was a successful year both on and off the field.

With the Association's ruling on the age date, the Club found it difficult to prepare teams, however, this was overcome and to those people effected, I would like to apologise.

This year we had 9 Junior teams, a Raahauge Cup Squad and an All Age Team in Division 2.

Most of our junior teams finished in the top half.

Our Under 8 Blacks were joint leaders but lost in the Association's playoff. It was a fantastic effort going through the season with nine players and could only field eight in the playoff.

The Under 10 Blacks won their respective competition as well as the 'Champion of Champions' play offs. Congratulations and Well Done!!

Both the Raahauge Firsts and Reserves made the finals with the Reserves winning the Grand Final. Again Congratulations and Well done to both teams!!

Another special mention, must go to the winners of the Under 6, six-a-side competition. "Well played."

To run and organise all of our teams takes a lot of time, dedication and effort. I would like to thank the committee for all their support throughout the 1995 season and the coaches and managers, who give up their time each week.

Special thanks to Pauline and Allan Macdonnell who run our canteen each week and to the parents and players who assisted on the ground duty days and more. Thank you.

Our grounds are still one of the best in our Association and for this we owe our thanks to Greg and Martin Evans and helpers.

Our results are kept in great order by Julie Boardman and her family who always do a fantastic job. Thanks.

I would also like to thank Sandra and Allan Ireland for the newsletter and support throughout the year.

Last but not least, I would like to thank the players who competed this year and made St Columbas the great Club it is.

The Annual General Meeting will be held next Wednesday 20th September in our Club Rooms at 7.30 pm and I ask as many of you as possible to attend, not only to fill positions but to put forward new ideas for next season.

**Peter Hatfield**  
**Club President**

# IMPORTANT DATES TO REMEMBER

Wednesday 20 September 1995 - ANNUAL GENERAL MEETING  
7.30 pm Club Room  
Eric Mobbs Reserve (next to canteen)

Saturday 3 February 1996 ) - Registration Days  
Saturday 10 February 1996 ) St Columbas Church  
10.00 am - 2.00 pm

#####

Our recorder, Julie Boardman, informs us:

No of games played in 1995.....	175
Wins.....	86
Losses.....	66
Draws.....	23

#####

ALL EQUIPMENT TO BE RETURNED TO GREG EVANS, EQUIPMENT OFFICER (shirts, balls etc)

#####

ALL FIRST AID KITS MUST BE RETURNED SO THAT THEY CAN BE PREPARED FOR NEXT SEASON

#####
